

ECOLINE R/RS 200

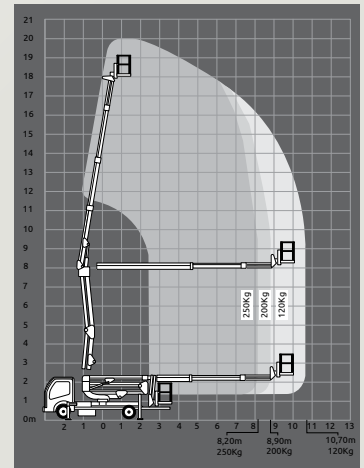

ECOLINE R/RS 200

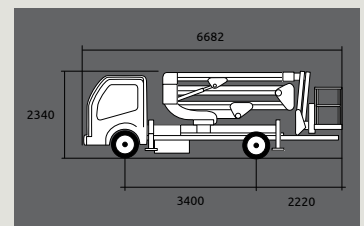

FEATURES

- These ECOLINE models are also available with moveable jib. It provides easy access over obstacles at the job site
- Requires very little space
- Ideal for independent contractors on a wide variety of assignments: building façade cleaning, painting, roofing etc
- Top price-performance ratio
- Work basket accessible via basket ladder
- Multi-chassis compatible

The articulated boom lift can carry out a wide variety of tasks due to the moveable jib. When telescopic boom lifts are not able to overcome obstacles, the R/RS 200 model is the space-saving and time-saving truck-mounted aerial work platform in the low budget segment.
